

**REMARKS/ARGUMENTS**

In preparing a schedule of claims for the Appeal Brief, submitted pursuant to the appeal of the Examiner's Final Rejection, certain clerical errors were noted in the claims which it is sought to correct by this amendment.

In this regard, the spelling of neuraminidase has been corrected in claims 59 and 70, the term "activities" has been amended to "activity" in claim 70, a close bracket has been added to claim 72, and the word "system" has been added to claim 74 for consistency with claim 70.

Having regard to the nature of the changes made, it is submitted that this Amendment after Final Action should be entered.

Respectfully submitted,
